Description	Join award-winning author Adam Hamilton as he travels from Egypt to Mt. Sinai, the Nile, the Red Sea, and the wilderness exploring the sites of Moses' life. As Hamilton shares historical information, archaeological data, and biblical text, you'll gain a better understanding of Moses' significance in your life today, and you'll discover how you, too, can turn your reluctance into boldness.	Adam Hamilton believes that powerful answers to many of our complicated questions are contained in the Apostles' Creed, an early statement of foundational Christian beliefs. In <i>Creed</i> , he explores not only what Christians believe, but also why they believe, and why it matters, which in turn leads readers to confront and examine their own core beliefs and go beyond reciting the Creed's familiar words.	Everything happens for a reason. True? Not so fast. In Adam Hamilton's new book, <i>Half Truths</i> , you'll learn that this phrase, and others, are really just popular sayings. This five-week, DVD-based study can be used in small groups or as a churchwide program where all ages explore the topics at the same time.	John's aim in writing the Gospel is that readers will not only believe in Jesus Christ, but that they "may have life in his name." Follow the life, ministry, death, and resurrection of Jesus and understand the context of some of the Bible's best-known verses through the most deeply spiritual of the four Gospels.	Follow the journeys of Paul, beginning with his dramatic conversion, as he spread the Gospel through modern-day Greece and Turkey. Travel to the early church sites and explore Paul's conversations with the Romans, Corinthians, Galatians, Ephesians, Philippians, Colossians, and Thessalonians. In this six-week study, you are invited to experience faith through Christianity's greatest teacher and missionary.
